

—The bridegroom of a Waukegan wedding was a Baptist and the bride a Methodist. They had agreed that, immediately after the ceremony, they would decide by chance which should embrace the other's religion. The officiating clergyman declined to toss up a cent, partly because he would not countenance such a proceeding, and partly because, being a Methodist, he might be accused of fraud if the bride won. The bride herself finally threw the coin, and lost. When she went to join the Baptists, however, they rejected her because she did not believe in close communion. That displeased the husband, and he went over with her to the Methodists.

—Three locomotives were wrecked at the Denver and Rio Grande shops in Denver, a few days since, by the scoundrelism of some miserable fellow, who opened the throttle and sent a locomotive flying down the track. At the shops it collided with two other locomotives on the track, and the three lay in a heap badly damaged.

—In response to a note purporting to come from her new lover, a Richmond (Ind.) girl put on her best bonnet and went to meet him at a designated street corner. There she found a female rival, who pounced upon her furiously, snatched the bonnet from her head and tore it into bits.

Just So.

It pays to follow good advice. Mr. C. W. Braun, in Eureka Springs, Ark., sends the following item: I had been a sufferer with Dyspepsia for the past three years. Advised by a friend, I used Hamburg Drops. At once, after the first dose, I experienced relief. I continued its use for one month and found myself completely cured. There are so many suffering with indigestion that my advice to such would be: Do as I have done—take the Hamburg Drops and get cured.

A SPORTSMAN at Dahlonega, Ga., failing in his attempt to shoot a wild turkey, threw down his gun and overtook the bird after a chase of two hundred yards.

Answer This.

Did you ever know any person to be ill without inaction of the stomach, liver or kidneys, or did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Bitters would not cure? Ask your neighbor the same question.—Times.

WHILE the daughter of Alfred M. Pace, of China, Me., was watching at the bedside of a sick sister, a spotted adder over three feet in length passed over her feet. It was killed by her father in the sitting-room.

OUR compliments to St. Jacob: we have tried the celebrated St. Jacobs Oil on our rheumatic foot and experienced great relief therefrom. The Saint is a public benefactor.

A CALIFORNIA Justice, in a moment of anger, said that the lawyers in a case on trial before him were no better than horse thieves. Then he apologized and fined himself ten dollars for contempt of court.

Advantage of Heavy Plates.

The soft bituminous coal used in the West is so destructive on all cast-iron that the heavy plates in the CHARTER OAK COOK STOVE will be appreciated by housekeepers as well as dealers. This advantage, with excellent draft, quick and uniform baking, make the CHARTER OAK the most desirable stove in the market.

Gen. John A. Logan.

Hero of the late war, and now United States Senator from Illinois, writes: "Some years ago I was troubled more or less with rheumatism, and have within the last year or so suffered intensely with same disease. I began to take 'Durang's Rheumatic Remedy,' and am thoroughly satisfied that I have been cured by its use. I do not hesitate to recommend it to all sufferers."

It is taken internally and never fails to cure the worst case in the shortest time. Sold by all wholesale and retail druggists. Write for 40 page pamphlet to R. K. Helphenstine, Druggist, Washington, D. C.

Best Stove We Ever Used.
